

3th Intracellular Delivery of Therapeutic Molecules: From Bench to Bedside

August 31st – September 2nd 2009
Montpellier, France

15 years of Cell-Penetrating Peptides :
from molecular mechanisms to the clinic

Scientific Committee

Dr. Fabienne Burlina (CNRS UMR-7613 Paris, France)
Dr. Gilles Divita (CRBM-CNRS-UMR-5237, Montpellier, France)
Pr. Steve Dowdy (University of San Diego, USA)
Dr. Ferenc Hudecz (Academy of Sciences of Budapest, Hungary)
Dr. Pirjo Laakkonen, (University of Helsinki, Finland)
Pr. Bernard Lebleu (University of Montpellier, France)
Dr. May C. Morris (CRBM-CNRS-UMR-5237, Montpellier, France)

Deadlines: April 24th, 2009 Abstract submission and early registration.

Meeting Topics :

- Design and chemistry of Cell-Penetrating Peptides
- Peptide-membrane interactions: structures and mechanisms
- Mechanism of action and cellular uptake of CPPs
- *In vivo* applications of delivery systems
- Biosensor applications
- Therapeutic applications and clinical aspects

Confirmed Speakers :

Dr. Fabienne Burlina, *Université Pierre et Marie Curie, Paris - France*
Pr. Robert Basseur, *University of Gembloux - Belgium*
Dr. Jean Luc Coll, *INSERM U82, Grenoble - France*
Dr. Gilles Divita, *CNRS Montpellier - France*
Pr. Steven F. Dowdy, *Howard Hughes Medical Institute, San Diego – USA*
Dr. Shiroh Futaki, *Kyoto University, Japan*
Pr. Jean Gariepy, *University of Toronto, Canada*
Dr. Steven Harrison, *Kai Pharmaceuticals, USA*
Dr. Ferenc Hudecz, *Academy of Sciences of Budapest - Hungary*
Pr. Mike Gait, *MRC, Cambridge – United Kingdom*
Pr. Astrid Gräslund, *Stockholm University - Sweden*
Dr. Pirjo Laakkonen, *University of Helsinki - Finland*
Pr. Ulö Langel, *Stockholm University - Sweden*
Pr. Bernard Lebleu, *Montpellier University 2 - France*
Dr. May Morris, *CNRS Montpellier - France*
Dr. Hong Moulton, *Avi biopharma - USA*
Pr. Alain Prochiantz, *École normale supérieure CNRS - Paris*
Dr. Jacob Waugh, *Revanche Therapeutic - USA*

Important Dates

Early registration: April 24th

Abstract submission for oral presentation : April 24th

Abstract submission for poster and late registration: June 30th
